Bullish News of Copper and Steel Industries Help Send Prices Upward.

NOTES—Quotations reflect closing prices Wednesday, February 9.

New York, Feb. 9.—Despite the market absence of public interest, the stock market, irregular at intervals, closed with numerous material gains.

Washington advices that the Lullian case had been virtually settled, the bullish news regarding the steel and copper industries, caused a cheerful feeling in financial circles. Prices at the start were substantially higher, with many stocks up one to two points.

Canadian Pacific and New York Central secured gains of 1/2 each. American Copper and Steel, United States Steel, Republic Steel and Inland Steel and the Copper led the industrial division upward.
